Dear Third through Ninth Grade Parents,

Beginning on Monday, November 16th, 2015, Horizon Science Academy is going to be implementing a new discipline system for third through ninth grade students. Students are expected to be on their best behavior at school, and in the hallways at all times.

Beginning on Monday, school personnel are going to be carrying around a scanner system. Students are expected to be wearing their student I.D. cards on their lanyards around their necks at all times. If a student is caught misbehaving in the hallways, their I.D. cards will be scanned, and an email will automatically be sent to their parent about the infraction. Listed below, are the categories that will be in our scanning system relating to types of misbehavior that can occur in the hallways:

- Tardiness
- Running / Horseplay
- Out of Uniform
- Use of Profane Language
- Inappropriate Voice Level
- Cell Phone Violation
- Locker Check

If a student is scanned three times for any of the above listed reasons, they will receive a two hour, after school detention. If a student is scanned five times for any of the above listed reasons, they will receive another two hour, after school detention. If a student is scanned seven times for any of the above listed reasons, they will receive a four hour, Saturday school detention. If a student is scanned ten times for any of the above listed reasons, they will receive another Saturday school detention. If a student is scanned fifteen times for any of the above listed reasons, they will receive a Saturday detention along with a parent/dean conference.

As a parent, we encourage you to check your email frequently to ensure that you are able to see any discipline and consequences that your child might receive. We will also be scanning students for positive behaviors and will explain their positives in emails.

Thank you for your cooperation. If you have any questions, please contact Ms. Merota at merota@hswsacademy.org or Mr. Flick at flick@hswsacademy.org.
